Then all registered entrants will be informed whether their work has been selected for the exhibition. This means that only selected works will need to be delivered to the Gallery on receipting day.

If your artwork on paper (e.g. drawing, print or photograph) is not framed it must be mounted on foam core board which is a lightweight material available from art supply stores and some office supply stores. Artworks may be rejected due to poor presentation. All framed and works on canvas (with a stretcher) must have D-rings.

What are D-rings?

D-rings or D-latches are a metal fitting used on the back of paintings to ensure they can be hung. If you're unsure how to attach a D-ring to an artwork [please watch this video.](#)
